

Our Side of the Table

Meeting #2 - April 12, 2011

Vernon Teachers' Association Negotiating Team

Today, the VTA Negotiating Team met with the Management Team for the second time. Again, we worked on trying to create a mutually agreeable Protocol document – establishing the etiquette for our local bargaining process.

We have agreed on a schedule of meeting dates and times for the months of May and June.

We hope to complete and sign a Protocol Agreement at our next meeting, scheduled for May 2nd.
